# WELCOME TO MALTA

# OVERVIEW OF MALTA & HISTORICAL HIGHLIGHTS

**Malta** is a small archipelago in the middle of the Mediterranean Sea which is rich in history and local characteristics.

Due to its strategic location, Malta was ruled by various leads including the Knights of St. John, the French and the British. Due to this, Malta, today, is rich in history. Some of the historical locations include the capital city of Valletta, Mdina and Birgu as well as other other historical landmarks found all across the island.

In the year 1964, Malta became independent. This was followed by Malta becoming a republic in the year 1974. In the year 2004, Malta joined the European Union.

Malta, although small, has its own language. Due to its diverse population, you can find a variety of foods and cultural experiences in Malta. You can also find various local foods and cultures which you will not find anywhere else.

# PLACES TO EXPLORE

**Valletta** is a city built by the Knights of St. John and is now a UNESCO world heritage site. It is home to the Maltese parliament, St John's Co-Cathedral and the Manoel Theatre amongst other historical landmarks found in the city. You can't forget the breathtaking views of the grand harbour which can be seen from the upper Barrakka Gardens. It is a fantastic place to explore by day and by night.

**Mdina**, also known as the 'Silent City', is another historical location in Malta. Here, you will find various historical landmarks which represent some of Malta's most important parts in history. It was once Malta's capital city, and is home to some of the most beautiful architecture built on the island, such as the Palazzo Santa Sofia and St Paul's Cathedral.

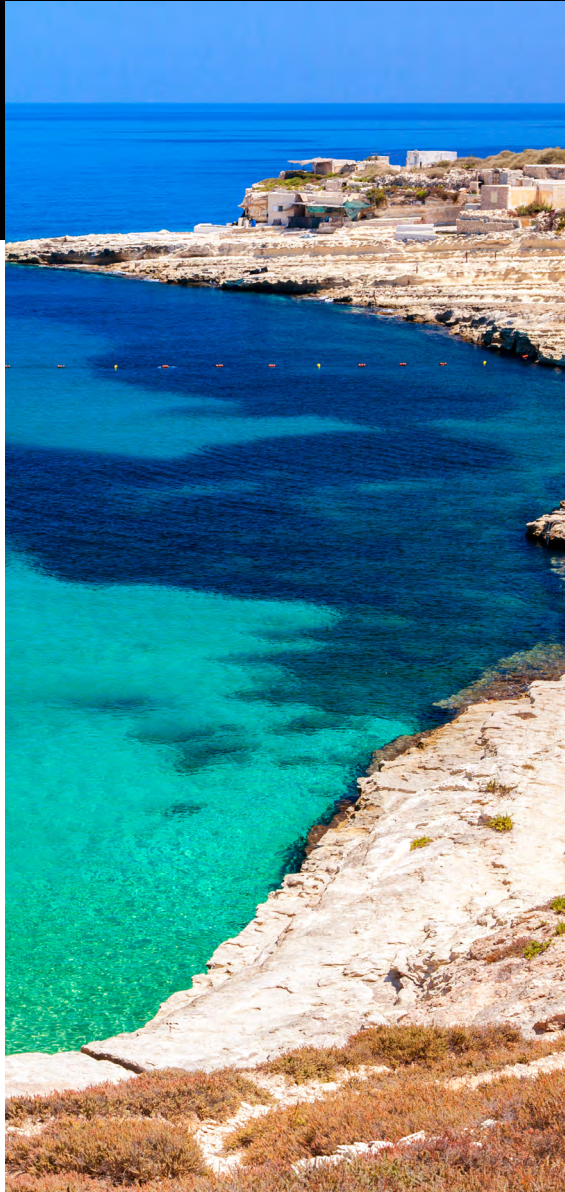

**Gozo** is Malta's sister island which can be accessed by ferry. Gozo is characterised by its breathtaking natural beauty and historical buildings. The perfect place to escape the modern-day stress, filled with a variety of activities for everyone.

**Marsaxlokk** is an old fishing village well known for its Sunday fish market and the fresh local served dishes from a variety of restaurants. The traditional colourful boats are eye-catching as you look out into the harbour. Here, you can also find various places to swim, including St Peter's Pool.

The island of Malta is surrounded by the Mediterranean Sea, giving us beautiful beaches all around. Beaches include Riviera Bay and Golden Bay which are located on the northwest coast of Malta and are popular with tourists for their golden sand, clear waters, and picturesque sunsets.

St Peter's Pool is another well-known tourist location. It is located in the south of the island and is very busy during the summer months. Blue Lagoon is located on the small island of Comino, just a few minutes away from Malta by boat and is a must visit destination. Its crystal-clear turquoise waters and white sandy beaches create a beautiful natural swimming pool.

From visiting historical sites and churches, to swimming in our beautiful waters, or exploring the island on quadbikes or hiking, Malta has a lot to offer for all ages.

## Healthcare Facilities.

In Malta we have public and private healthcare.

The public healthcare, which is free, is provided at Mater Dei Hospital.

Private healthcare in Malta is also provided at various facilities.

Other private doctors and clinics are located throughout the island.

## Higher Education.

- Ġ.F. Abela Junior College
- MCAST
- University of Malta

# Malta School System.

- In Malta schools are divided into three categories: state schools, church schools and independent schools.
- State schools are accessible to all students and can be found in all the main towns or villages in Malta and Gozo. Transport to and from school is also free, as are books and other school materials. Parents will, however, need to buy their children's school uniform.
- Both church schools and private schools offer pre-primary to upper secondary education. Both types are regulated by the Ministry of Education.
- Some examples of church schools are St Augustine College, St Michael School and De La Salle College.
- For more information about Church schools, please refer to the below link:<https://church.mt/archdiocese/church-schools/>
- The educational system is structured in four stages: pre-primary (ages 3 to 5), primary (ages 5 to 11), secondary (ages 11 to 18) and tertiary education. Attending school is compulsory up to the age of 16.
- You can also apply to attend the University of Malta to continue your studies in one of their many different educational programs.

# Philanthropy & Diversity.

As a company, we are always trying to give back to our community. At Crane Currency, we help various organizations by volunteering our time to support their cause.

Some of the organizations we support are the Puttinu Cares Foundation, Malta Community Chest Fund and Hospice Malta, to name a few.

# TESTIMONIALS

“ It’s been 5 years since I moved to Malta all the way from Bangaluru, India. What anchored me here in Malta are:

1. The Weather, especially the winter coz Malta doesn’t get freezing cold as it gets in other parts of the Europe.
2. The People, they are the nicest people in the whole Mediterranean. Kind, humble and lovely.
3. The Sea, that one is obvious. Malta has so many awesome beaches to explore.”
